About Community Draws

Community Draws is an online platform where organisations host prize draws to raise funds for their community. Each draw gives supporters the chance to win great prizes while helping local causes — simple, transparent, and fun.

About the Role

We're looking for a friendly, confident, and reliable person to help us spread the word about Community Draws by delivering and installing promotional packs across local businesses in Scunthorpe. Visiting local venues such as:

- Hair Salons & Barbers
- Cafés, Takeaways & Restaurants
- Pubs & Social Clubs
- Taxi Ranks & Local Shops
- Other high-traffic community spots

Each stop involves dropping off or installing a small promotional pack (poster, leaflet holder, and leaflets), chatting briefly with the owner or manager, and taking a quick photo of the installation for our records.

Key Responsibilities

- Follow a designated route to deliver promotional materials.
- Politely introduce Community Draws and explain what we do.
- Install posters and leaflet holders where permitted.
- Capture and send a quick photo of each installation.
- Maintain a simple activity log for HQ.
- Represent Community Draws positively and professionally.

What We're Looking For

- Charismatic and genuine personality – you enjoy chatting with people and making a great impression.
- Good communicator – able to explain our platform simply and clearly.
- Reliable and self-motivated – comfortable working independently.
- Own vehicle and valid UK driving licence.
- Smartphone for navigation, photos, and updates.

- Branded apparel provided for identification while performing outreach activities.
- Flexible working hours – plan routes to suit your own schedule.
- All promotional materials supplied (posters, leaflet holders, and leaflets).

Contractor Basis

This position is offered on a self-employed contractor basis. Contractors are responsible for their own tax, insurance, and vehicle expenses (excluding mileage reimbursement).

Work is typically 1–2 days per week, depending on route availability and campaign needs. Contractors are paid £50 per completed day/route, plus mileage reimbursement at the HMRC standard rate (45p per mile). Payment is made via bank transfer after the route log and photos are submitted and approved.

Community Draws may provide branded apparel for identification purposes only — wearing this does not imply employment status.
